

## **Job Summary**

We are looking for Early Childhood Educators to join our Child Care staff team. In this role you will be expected to plan and implement a program, providing children with a developmentally appropriate, safe and healthy environment. We have opportunities in our full-time child care and infant toddler program. We follow all regulatory standards required by federal, provincial and municipal governments.

## **Job Responsibilities**

As an Early Childhood Educator, you will be required to develop, evaluate and adjust programming in cooperation with the other child care staff and manager; communicate with families effectively; assist in maintaining children's records, our play spaces, etc. Light housekeeping is a part of the role, as is some documentation, staff meeting attendance, and ongoing professional development.

## **Education Training and Experience**

- Early Childhood Education (ECE) or ECE-IT (Infant Toddler)
- Current BC license to practice
- Documentation in accordance with Community Care Facilities Branch licensing requirements
- Excellent interpersonal skills with parents and community members
- Willingness to work within a team setting

## **Qualities and Skills**

- Ability to be energetic, resilient and maintain a sense of humour when personal resources are challenged
- Effective interpersonal skills under all types of conditions, exhibiting a supportive, positive approach.

- Able to perform in the physical effort for lifting, bending, stooping, carrying and reaching overhead.
- Knowledge of licensing requirements and health and safety legislation
- Well organized and ability to work autonomously with minimal close supervision

**Weekly hours:** 25 to 37.5 per week

**Application deadline:** Ongoing. Interviews and start date in January 2022.

**Salary:** From \$24 per hour + based on experience + Gov. wage enhancement

**Benefits:** includes health benefits

**COVID-19 considerations:** We have an extensive health and safety plan in place to keep educators and families healthy during this unpredictable time. As of October 2021, proof of COVID-19 vaccination is necessary.
